Funding

- In 2023, I led a research project investigating the impact of utilizing High-Fidelity Mannequin-Based Simulation compared to Real Patient-Based Clinical Training on the clinical skills performance, clinical judgment, and self-efficacy of nursing students. As a result of this project, we successfully established a state-of-the-art simulation lab at the Faculty of Nursing. Additionally, we will be publishing three papers based on the findings of Curriculum Vitae Page 7 of 11 this research. The project received funding support from the Scientific Research at Isra University, with a total grant of 105,000 Jordanian Dinar

Conference

1. May 8-9 ,2024, attended the The First Nursing international Conference in Al-Zaytoonah University. The Conference is being held by Al-Zaytoonah University in Amman, Jordan .

Curriculum Vitae

2. April 22,2024, attended the`` The Third International Scientific Nursing Conference - virtual and physical participation (ISNC2024). The Conference is being held by Philadelphia University inAmman, Jordan .
3. April 22,2024, a member of Scientific Committee at The Third International Scientific Nursing Conference - virtual and physical participation (ISNC2024). The Conference is being held by Philadelphia University inAmman, Jordan .
4. October 9- 2022, attended the “Ta’ziz Partnerships Kick-off Conference: Strengthening Regional Cooperation in Higher Education” The Conference is being held by DAAD inAmman, Jordan ,Intercontinental Hotel .
5. October 6, 2023 , attended the virtual conference about writing the Self-Study Report and preparing for the visit The Conference is being held by Accreditation Commission for Education in Nursing, Atlanta, Georgia , USA
6. September 21, 2023 , attended the virtual conference about writing the Self-Study Report and preparing for the visit The Conference is being held by Accreditation Commission for Education in Nursing, Atlanta, Georgia , USA
7. Recognition of attendance and participation in the10th Royal Medical Services conference opens 2023
8. March 16-18th 2022, attended the virtual “Knowledge Summit 2022” coordinated by AlMaktoom Orgnaization.”
9. March 14th 2022, attended the virtual international confernace coordinated by Sharjah University about “Education Post COVID-19.”
10. Recognition of attendance and participation in the7th Royal Medical Services conference opens 2014
11. Recognition of attendance and participation in the 5th International Conference of Royal Medical Services 2007
12. Recognition of attendance and participation in the 16th scientific day for nursing allied health professions. 23th April 2007(royal medical services)
13. First national scientific day held by the faculty of nursing titled "science_ care _excellence" (Applied Science Privet University)

Presentations and Participation in Workshops:

- 1 On October 5, 2023, I attended The 5th Nursing Scientific Day of Princess Muna College of Nursing in titled: Nursing Innovation: The Roadmap for Future Leaders. It held on Jordanian Royal medical Services.
- 2 On September 3, 2023, I attended a workshop held at Geneva Hotel Amman about `` Health Service Quality Accelerator Activity``. The workshop is being held by the USAID
- 3 On June 16, 2023, I attended a workshop held at Geneva Hotel Amman about ``Discussion of the Results of Nursing and Midwifery Curricula Analysis in Jordanian Universities and Colleges for the Development of Programs in the Fields of Reproductive Health, Maternal Health, and Neonatal Car``. The workshop is being held by the Higher Education Accreditation Commission

Curriculum Vitae

- 4 On March 16, 2023, I received an invitation to participate as a speaker at the Qualifications Placement Workshop on the Jordan National Qualifications Framework (JNQF). The workshop is being held by the Higher Education Accreditation Commission.
- 5 Invitation to the 2nd annual **Award Ceremony of the King Hussein Award for Cancer Research**, which will be held under the patronage of Their Majesties King Abdullah and Queen Rania on Monday, November 14th in Amman, Jordan
- 6 **ACEN** accreditation standards, policies & processes, How to be prepared for **ACEN Accreditation” A workshop Organized by Association of Arab Universities (AARU)**,2-3 November, 2022, Venue: Landmark Amman Hotel. Amman, Jordan
- 7 June 16th 2022, attended a workshop held at Isra University about “*Strategic Plan 2023-2027.*”
- 8 Dec. 28th 2021, I coordinated a workshop about the Accreditation Commission for Nursing Education (ACEN). The lecturer was Dr. Suhaila Halaseh, Associate Professor at Jordan University, and the Accreditation Commission for Nursing Education (ACEN) expert.
- 9 May 31st 2020, lectured for a group of academicians about *Competency-Based Education Framework Education* proposed to the Accreditation and Quality Commission for Higher Education Institutions. The workshop was held at AL-Ahliyya Amman University
- 10 June 16th 2022, attended a workshop held at Isra University about “Strategic Plan 2023-2027.”
- 11 Dec. 28th 2021, I coordinated a workshop about the Accreditation Commission for Nursing Education (ACEN). The lecturer was Dr. Suhaila Halaseh, Associate Professor at Jordan University, and the Accreditation Commission for Nursing Education (ACEN) expert.
- 12 March 23 , 2022, attended a workshop about Special Education Instructions for the Nursing Program. The workshop was held at Accreditations And Quality Assurance For Education Institution .

Curriculum Vitae

	leadership and quality improvement			
.11	Exploring the Integration of Evidence-Based Approaches in Chronic Nursing Care: Perspectives and Practices among Jordanian Nurses: A cross-sectional descriptive study	Isra University/ Faculty of Nursing	Amjad Majed Albohaisi	3/6/2024

Professional Memberships

- Recognition of the Editorial Board Member in “American Journal of Nursing Science (AJNS);

Certification

- Completed the requirements of the course Entitled “objective Structured Clinical Examination(OSCE)”
- Certified eLearning Education from The Academy of Learning – Britain
- Certified eLearning Education from The Academy of Learning – Joran

Research Interests

- Qualitative Method Research
- Mixed Method Research
- Quality management
- Nursing management
- Accreditation
- Patient safety
- Quality of nursing care

Languages

- Arabic: Excellent conversational and written Arabic
- English: Excellent conversational and written English.

ADDITIONAL SKILLS

- Competent user of Microsoft packages including PowerPoint, Word, and Excel.
- Skillful in developing qualitative/quantitative survey research methodology and analysis.
- Clear, high quality & effective written /oral communication skills developed through delivering seminars and presentations at University and hospital work.
-
