The 6th Induction Ceremony

In May 23, under the patronage of Psi Kappa chapter chairman Dr. Amani Khalil, school of nursing dean Dr. Feryal Hayagneh, and vice president Dr. Enam Khalaf, the 6th induction ceremony for the chapter started with presence of the STTI regional coordinator Dr. Sujatha Shanmugasundaram, and chapter leaders and members, the ceremony hi-lighted the achievements of the chapter in community, and represent members and leaders achievement over the last year.

Several representative speakers share their honor and appreciation to join this prestigious organization and this chapter in particular to serve nursing profession in Jordan in various aspects and to share their knowledge and experience with this community. By the end of the ceremony, chapter budget for previous year and new leaders positions were discussed and pointed to the public and approved by chapter members for the next year. Also, a number of 14 of new members approved and accepted in Psi Kappa chapter to serve the nursing community and to help them to advance and improve nursing knowledge and to discover new experience regionally and internationally.

Psi Kappa on LinkedIn

To broaden our community, psi kappa chapter is now on linkedIn to communicate professionally and to be connected with chapter members and international chapters, and to share our experience with others, please visit our official account on LinkedIn “**Psi Kappa**”.

Publications corner

In our community, there are several nationally and internationally recognized researchers, and we are proud of all of these members and leaders, so we decided to make a corner that celebrate their efforts and help others to know the capabilities and qualifications in our community. P.S. if you are a member of our chapter you can send us your published paper in brief letter (300 word), to share it on our website: “**psikappa.sigmanursing.org**”.

100 years of excellence

As a part of the STTI, in October 5th, the biggest event to celebrate a hundred years of professional collaborative nursing experience around the globe. You can visit “**sigmanursing.org**” for more info.
